

8th Int. Symposium on Corneotherapy

"Trans barrier treatments in corneotherapeutical practice"

Friday, Oct 6, 2023	Saturday, Oct 7, 2023	Sunday, Oct 8, 2023
	8.45 Preview of the Day's Format Margaret Walsh	8.45 Preview of the Day's Format Margaret Walsh
	9.00-9.45 10 years I.A.C. - Anniversary Lecture 2 Stratum corneum as a part of the general mechanism of skin water balance regulation Elena Hernandez, PhD	9.00-9.45 10 years I.A.C. - Anniversary Lecture 1 Structure of skin barrier – an update Lars Norlén, Prof PhD
	9.45-10.30 Penetration and permeation New measurement of penetrating and permeating active agents Cornelia Keck, Prof PhD	9.45-10.30 Transdermal drugs Combining drugs and skin care – selected indications (Adjuvant Corneotherapy) Chia-Yu Chu, Prof MD PhD
	Break + posters (?)	Break + posters (?)
	11.00-11.45 Penetration and permeation Chemical penetration enhancers – molecular mechanisms within the barrier Hans Lautenschläger, PhD	11.00-11.45 Triggering the skin microbiome Influence of the dermal microbiome on epidermal biochemistry & processes Ghita Lanzendörfer-Yu, PhD
	11.45-12.30 Physical treatments Physical methods of trans barrier delivery – how do they work, what we can expect? Elena Hernandez, PhD	11.45-12.30 Triggering the skin microbiome Effects of external matter on microbiome biochemistry and its trans barrier influence Dr. Erin Madigan-Fleck, NMD
	12.30-13.15 Physical treatments Is dermal needling compatible with corneotherapy? What happens on barrier? Lance Setterfield, MD	12.30-13.15 Growth factors External triggering by vitamins, enzymes, cosmeceuticals, natural compounds etc. Kai Atkinson
	Lunch + posters (?)	Lunch+ posters (?)
	14.15-15.00 Physical treatments Massages, ultrasound & shock waves – influences on the skin barrier integrity René Serbon	14.15-15.00 10 years I.A.C. - Anniversary Lecture 3 Radicals, scavengers & skin protection – the role of atmosphere, pollution & radiation Martina Meinke, Prof PhD
	15.00-15.15 Discussion Panel Penetration and permeation C. Keck, G. Lanzendörfer-Yu, H. Lautenschläger	15.00-15.15 Short Presentation 3 Presenting, initiating and installing I.A.C. local networks I.A.C. Board
	15.15-15.30 Discussion Panel - continued Penetration and permeation C. Keck, G. Lanzendörfer-Yu, H. Lautenschläger	15.15-15.30 Closing Speech Current Stage of Corneotherapy Elena Hernandez, PhD
	15.30-15.45 Short Presentation 1 Call for initiating and installing I.A.C. practice studies Ghita Lanzendörfer-Yu, PhD	
16.00-18.00 Registration	15.45-16.00 Short Presentation 2 How to use and contribute to the I.A.C. Bulletin/Newsletter – call for manuscripts Elena Hernandez, PhD	
	Break+ posters (?)	Say Goodbye
18.30-18.45 Welcome to Symposium Elena Hernandez, PhD	16.30-18.30 I.A.C. General Assembly	
18.45-19.50 Welcome to Symposium Igal Kariv	I.A.C. Members	
18.50-19.00 Opening of the Symposium and Introduction Hans Lautenschläger, PhD		
19.00 Dinner	19.00 Dinner
