

9th Int. Symposium on Corneotherapy

"New findings to maintain the skin barrier function"

Friday, May 9, 2025	Saturday, May 10, 2025	Sunday, May 11, 2025
	8.45 Preview of the Day's Format Margaret Walsh	8.45 Preview of the Day's Format Margaret Walsh
	9.00-9.45 Physics Inside epidermal measurement tools - from past to future Christiane Uhl	9.00-9.45 Dermatology Signal pathways in the skin – modulated by dermatological and cosmetic treatments Johann van der Vyver, MD
	9.45-10.30 Biochemistry Environmental influences on epidermal functions and structures Jürgen Kloss, PhD	9.45-10.30 Dermatology Medical and cosmetic peelings – short and long-term (side) effects René Serbon
	Break	Break
	11.00-11.45 Dermatology Strategies to trigger skin immunity and their relevance Elena Hernandez, PhD	11.00-11.45 Dermatology Skin microbiome imbalance, related disorders and recover strategies Ehrhardt Proksch, Prof MD PhD
	11.45-12.30 Physics Influencing epidermal functions by physical means and devices Martina Meinke, Prof PhD	11.45-12.30 Corneotherapy Formulations – compatible with skin barrier, epidermal functions & microbiome Hans Lautenschläger, PhD
	12.30-13.00 Discussion buffer Time needed and apportioned for answering questions directly after a lecture	12.30-13.00 Discussion buffer Time needed and apportioned for answering questions directly after a lecture
	Lunch	Lunch
	14.00-14.45 Dermatology Influencing epidermal functions by pharmaceuticals & their side effects Cornelia Keck, Prof PhD	14.00-14.45 Biochemistry Enzymes of epidermis & microbiome – balancing deficits from outside Burkhard Kleuser, Prof PhD
	14.45-15.30 Corneotherapy "Corneoceuticals" for topical and oral administration Ghita Lanzendörfer-Yu, PhD	14.45-15.30 Corneotherapy Age-dependening influences on skin regeneration Florence Barrett-Hill
	15.30-15.45 Short Presentation Short-term topic presented by the I.A.C. Board I.A.C. Board Member	15.30-15.45 Discussion buffer Time needed and apportioned for answering questions directly after a lecture
	15.45-16.00 Discussion buffer Time needed and apportioned for answering questions directly after a lecture	15.45-16.00 Closing Speech Elena Hernandez, PhD
	Break	Say Goodbye – Coffee & Tea
	16.30-18.30 I.A.C. General Assembly I.A.C. Members	
18.30-18.45 Welcome to Symposium Elena Hernandez, PhD		
18.45-18.50 Welcome to Symposium Marek Harder		
18.50-19.00 Opening of the Symposium and Introduction Hans Lautenschläger, PhD		
19.00 Dinner – Insel Hotel Potsdam	19.00 Dinner – Insel Hotel Potsdam
